Order:

The petitioner, an educational society, filed this Writ Petition questioning the notification dated 14-03-2006 issued for admission to the course of B.Ed. during the academic year 2005-2006 in 33 minority colleges of education.

2. It is the case of the petitioner that as per the notification dated 14-02-2006, which was published on 17-02-2006, the last date for receipt of the applications for admission to the course of B.Ed. in the college and also in the office of the District Educational Officer is 23-03-2006, and the same is also the date for forwarding the applications received at the D.E.O.'s office; in that view of the matter, it is not possible to inform the students and submit the particulars to the D.E.O. for publication of approved merit list on 24-03-2006.

3. It is to be noticed here that the notification dated 14-03-2006 was issued in view of the representation made by the students. The very beginning of the notification refers to such representations from the students regarding the schedule for admission to 33 minority colleges of admission. In the very same notification, it has been stated that the list can be sent online, methodology-wise, and basing on the same, the merit list has to be published on 24-03-2006. Though the said notification has been published on 17-03-2006, the petitioner approached this Court belatedly and today, i.e. 23-03-2006 is the last date for receipt of applications in the respective colleges and also in the office of the D.E.O.

4. In that view of the matter, I do not find any ground to entertain the Writ Petition at this stage, as it would disturb the admission of students in all the 33 minority colleges of education.

5. The Writ Petition is accordingly dismissed. No order as to costs.
